Business English

Peter HARDER - PRAG Économie / Gestion
20H - ECTS 3

Objectifs

We try to establish a baseline of professional English concerning communication in the Public Management Field.

Listening, speaking and writing are essential to modern day communication.

Exposure to Modern Day accents of English, spoken worldwide, hopefully will allow students to gain confidence and no longer be destabilized once they are in the Real Working world.

We prepare the students for Professional Reality in Real time
